

## Welcome to Connexus Credit Union!

Beginning today, March 1, Heritage Credit Union has joined Connexus Credit Union. We are excited to soon be sharing more information about Connexus with you. And it won't be very long until you begin seeing some of the "More for Members" we've discussed these past few months. We can't wait to get started!

Our goal is to make your transition to Connexus as seamless as possible. Please check out the Resources page on the [Heritage website](#) for more details, dates, and information for this upcoming transition. **There are no immediate changes or actions required on your part** – our plan is to have you become members of Connexus in August. Until then, much of what you are familiar with as Heritage members will remain the same, including:

- Branch names, locations, and hours
- Branch and office employees
- Surcharge-free ATM network
- Support of community activities and sponsorships

### Next Steps

Over the next few months, we will be sending you important information on the merger and we want to make sure we have your correct address.

- Should we still send mail to **your address on file**?  
If not, you can quickly and easily update your address and phone number by changing your profile in online or mobile banking. On your phone? Log in by clicking your app below. You can also call us at 608-982-0192 or stop into any branch.

Thank you for being a loyal member. We are grateful for the opportunity to serve you.

Sincerely,

Heather Ristow  
Market President
